

Prometour – Travel Insurance Program

Prometour includes complimentary travel insurance and assistance services in all our group packages. This coverage is provided by Travel Guard, a premier provider of travel insurance, covering more than 9 million travellers worldwide each year.

Your package already includes the Prometour Canadian Basic Program; see below for details. To upgrade to a more comprehensive plan with additional coverages and higher coverage limits, you may choose to include the Deluxe or Ultimate Program, also shown below. When purchasing one of the optional programs, you will be responsible for the additional cost. Pricing is based on the total cost of your trip. Depending on your travel concerns and particulars of your trip, choosing one of the upgrades could be a wise decision. Contact Prometour to learn more.
